REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: applicant's arguments filed on 07/31/2006 in reference to claims 1-14 are persuasive, see pages 10-14 of appeal brief. The prior art of record taken alone and/or in combination with other does not teach and/or fairly suggest a limitation of each of the devices having an identity acquisition to receive data transmitted over the data bus and in response to the order in which the bits of one or more data words of a predetermined form are received on the data bus connectors, determining an identity for the device and storing the identity, in combination with other recited limitations.

Furthermore, the detailed arguments that are presented on pages 10-14 of appeal brief were not presented with the pre-appeal conference request.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Niketa I. Patel whose telephone number is (571) 272 4156. The examiner can normally be reached on M-F 8:00 A.M. to 5:00 P.M.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Fritz Fleming can be reached on (571) 272 4145. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
